CHECKLIST

Veranda Furniture Wind Protection Checklist

- [ ] Place sandbags under each leg of lightweight chairs and tables
- [ ] Fix ground anchors into the surface at furniture locations
- [ ] Attach straps or cables from anchors to chair frames
- [ ] Stack chairs seat-to-seat and tie the stack to a post
- [ ] Move cushions and loose items indoors every evening
- [ ] Position heavy planters beside table legs for extra weight
- [ ] Inspect straps and cables for wear each month
- [ ] Tighten all furniture frame bolts and fixings
- [ ] Clear debris from under furniture before windy weather
- [ ] Bring lightest pieces inside when a storm warning is issued
